Sales and Use Tax-What Every Attorney and Accountant Needs to Know Presented by Mark Stone and Jennifer Koo

Sales and use tax laws are often confusing, and at times cryptic. Failure to comply with the sales and use tax rules can lead to tax assessments, interest and penalties. The corporate officers and owners can even be held personally liable for these amounts due. This seminar will help accountants, attorneys, and their clients understand and comply with the sales and use tax laws. We discuss how to quickly and cost-effectively resolve sales and use tax issues and how to minimize the amount your client may owe.
